ANNONCEMENT

The Algerian Embassy in Bucharest announces that the Ministry of Higher Education and Scientific Research has launched the national program "Study in Algeria", directed at attracting foreign students wishing to study in Algeria, at their own expense.

This platform aims to introduce the Algerian higher education and training system and announce training offers open to foreign students, admission requirements, application procedures, and training costs at higher education and training institutions. For full details for those wishing to pursue their postgraduate studies in Algeria, please browse the

guide prepared for this purpose, in Arabic, French, and English, as well as a brochure in English, available on the website:
